RESULT OF FACULTY-STAFF COUNCIL ELECTION ANNOUNCED

Seventeen members of the college faculty and staff have been elected to new terms as members of the Faculty-Staff Council, according to an announcement received last week from the council. Those chosen during the election, which took place last month, along with their departments, are:

School of Engineering

Irvin Kogan, Electronic Engineering Department, June, 1968

George Furimsky, Electrical Engineering Department, June, 1970

William R. Phillips, Architecture and Architectural Engineering, June, 1970

School of Agriculture

Gaylord Chizek, Farm Management, June, 1969

Thomas Meyer, Food Processing, June, 1970

Herman Rickard, Dairy, June, 1970

School of Applied Sciences

Harry Finch, Biological Sciences, June, 1970

Howard Walker, Physical Sciences, June, 1970

Arthur Wirshup, Mathematics, June, 1970

School of Applied Arts

David Grant, English and Speech, June, 1970

Edward Strasser, Technical Arts, June, 1970

Victor Wolcott, Business Administration, June, 1970

Student Personnel Division

Louis Lewellyn, Counseling and Testing Center, June, 1970

Mrs. Lucy Schmidt, Records Office, June, 1970

Library

Mrs. Evelyn Reagan, Cataloging Section, June, 1970

Business Management Division

Ray Morton, Purchasing Office, June, 1970

Auxiliary Services

James Neal, Foundation Accounting Office, June, 1970

HALF-TIME POSITION AVAILABLE IN OVERSEAS PROGRAMS OFFICE

Applications are now being sought for a new half-time professional position as associate coordinator of the International Education Program operated under the administration of the Cal Poly Foundation, according to an announcement issued last week by campus Vice President and Chief Executive Officer Dale W. Andrews.

"The faculty member selected for this position would be assigned to a half-time position at his current rank and class, on a 12-month basis, to work with Howard West, coordinator of overseas programs, under the overall direction of Gene Brendlin, foundation manager," Dr. Andrews stated.

"With the addition of the Thailand project, two new projects in Guatemala, and a firm commitment on the Sudan program, we have now reached the point where additional professional staff is needed in this office. Persons interested in obtaining additional pertinent information should contact Mr. Brendlin," the chief executive officer concluded.

NEW P E PROGRAM FOR FACULTY, STAFF WILL BEGIN TOMORROW

A noon program of physical activity for members of the college faculty and staff will be inaugurated tomorrow (Wednesday, April 12) by the Physical Education Department. The new program will meet each Monday, Tuesday, Wednesday, and Thursday, from 12:00 noon to 12:45 p.m., according to information released by the PE Department last week.

Aim of the activity is to provide a means through which faculty and staff can achieve desirable physical changes in a manner best suited to their individual needs. Those desiring further information on the program are invited to call the Men's Physical Education Office (546-2546).

HOME CONCERT PREVIEW SLATED FOR COLLEGE HOUR

A preview of what is in store for this year's Home Concert is planned for the College Hour Concert announced for Thursday (April 13), starting at 11:00 a.m., in the campus Theater, according to information received last week from Harold P. Davidson, head of the Music Department and director of the performing groups.

Thursday morning's concert will feature numbers by the 72-voice Men's Glee Club; the Collegians, a 15-piece stage and dance band which specializes in the "big band sound" reminiscent of the 1940's; and the Women's Sextet vocal ensemble. They will perform a selection of numbers programmed for next week's 26th Home Concert.

Tickets for the Home Concert, which is scheduled for Friday, April 21, beginning at 8:00 p.m., in the Men's Gymnasium, went on sale last week. Priced at \$.75 for all members of the Associated Students, Inc., and students at other nearby schools, and \$1.25 for all others, they may be purchased on campus from either members of the performing groups or the Associated Students, Inc., Office.

Admission to Thursday morning's College Hour Concert will be free and the public is invited to attend.

DEADLINE FOR ARTICLES APPEARING IN NEXT WEEK'S STAFF BULLETIN IS FRIDAY NOON

"PONY EXPRESS" RIDE WILL CARRY POLY ROYAL MESSAGE FROM GOVERNOR REAGAN

Plans for the first annual Poly Royal Pony Express Ride which will carry a proclamation of congratulations from California Governor Ronald Reagan to students and faculty of Cal Poly have been announced by the student Poly Royal Board. According to present plans, the last of the 20 riders on horseback who will participate in the 300 mile trip will deliver the proclamation during opening ceremonies which will officially open 35th annual Poly Royal activities the morning of April 28. The traditional open house festival will close the following evening.

In addition to Governor Reagan's message, riders for the PRPER will carry special messages to citizens of some 20 cities through which the ride will pass. In the form of resolutions from the Poly Royal Board, the messages will extend special invitations to the citizens of each community and will be delivered to city officials of each community during appropriate ceremonies.

The Pony Express ride, being sponsored and carried out under the joint auspices of the Poly Royal Board and the student Cutting and Reining Club, is expected to take about seven days. Riders will each complete one leg of the trip and are not expected to miss more than one day of class time during their respective assignments.

Cities through which the ride, tentatively scheduled to begin April 18, will travel include Elk Grove, Galt, Lodi, Stockton, Manteca, Modesto, Turlock, Livingston, Merced, Chowchilla, Madera, Herndon, Fresno, Easton, Lemoore, Hanford, Shandon, Paso Robles, and Atascadero.

Staged by Cal Poly's 7,300 students as an opportunity to exhibit their work of the year, Poly Royal is expected to draw 35,000 visitors from throughout California during its two-day run. In addition to the featured displays, demonstrations, and exhibits of the college's 35 instructional departments, other highlights being planned include athletic contests; concerts; art, fashion, and flower shows; an intercollegiate rodeo; livestock judging and showmanship contests; a carnival; and a beef and chicken barbecue luncheon.

CAL POLY WOMEN'S CLUB SECTIONS ANNOUNCE MEETINGS

Meetings of three of the special interest groups of the Cal Poly Women's Club were listed on the calendar of activities released last week by the club. Among those listed were meetings of the club's Travel and Bridge Sections and its Walking Group.

Travel Section -- Members of the women's club's Travel Section have been invited to gather at the home of Mrs. C. H. Gregory, 213 Albert Drive, San Luis Obispo, for their meeting which will take place tomorrow (Wednesday, April 12) morning. Highlight of the program, which is slated for 9:30 a.m., will be a program given by Wendy Rich. Miss Rich is expected to describe her travels of last summer in South America.

Bridge Section -- Monday (April 17) evening has been established as the date for the next meeting of the Bridge Section of the club. It is planned for Room 129 of Dexter Memorial Library, starting at 8:00 p.m.

Walking Group -- A walk in the Lopez Canyon area of Southern San Luis Obispo County is scheduled for next week's meeting of the CPWC's Walking Group. Expected to start from the parking lot of the Giant Foods market, Southwood Drive at Johnson Avenue, San Luis Obispo, the meeting will begin at 9:00 a.m., next Tuesday (April 18).

LIST OF NEW FILMS CIRCULATED BY AUDIO VISUAL DEPARTMENT

Lists which include description of 14 new films which have been recently added to the collection on file in the college Audio Visual Department are being circulated as an attachment to this issue of Staff Bulletin. Subjects included range from type-setting, journalism, and narcotics addiction to architecture, city planning, and irrigation practices.

Members of the faculty interested in previewing any of the films listed may make such arrangements by calling the Audio Visual Service Office (546-2211).

REVIEW OF CAMPUS AUTHOR'S WORK SLATED FOR "BOOKS AT HIGH NOON" LUNCHEON MEETING

One of those relatively rare occasions when the work of a member of the Cal Poly faculty is reviewed is scheduled for next Tuesday (April 18) when Miles Johnson's The Government Secrecy Controversy will be the featured book during the regular Books at High Noon luncheon meeting. Clyde Hostetter of the Audio Visual Department staff will be the reviewer during the meeting which is scheduled for 12:00 noon in the Staff Dining Room.

Johnson, whose major academic background has been in journalism, is a member of the English and Speech Department faculty. During a recent sabbatical leave, he completed the research which has culminated in the new volume. It is a report of the positions of the government and the press in regard to management of the news during the Eisenhower, Kennedy, and Johnson administrations. Hostetter, who formerly worked in Washington, D.C. as a journalist is expected to place Miles Johnson's work in the framework of news reporting in the nation's capitol.

On today's (Tuesday, April 11) program, R. Wallace Reynolds of the Mechanical Engineering Department's faculty will review Tristram Coffin's Senator Fulbright: A Biography. Both the starting time and place will be the same as those announced for next week's luncheon.

OPENING FOR TABULATING MACHINE OPERATOR ANNOUNCED

The college Personnel Office last week announced an opening for a tabulating machine operator for the campus Automatic Data Processing Operation. Salary range for the position is \$436 to \$530 monthly. Specifications for the position are available for review in the Personnel Office, Room 110, Administration Building. Inquiries about the position are invited.

REGULAR MEETING OF CAMPUS C S E A CHAPTER SLATED FOR APRIL 19

"Current CSEA Events Affecting State Colleges" will be the topic when Frank Farias, a member of the headquarters staff of the California State Employees Association, addresses the regular monthly meeting of the campus CSEA Chapter scheduled for noon, April 19, in the Staff Dining Room. Also planned during the meeting are a report of the chapter's Nominating Committee and an opportunity for nominations for 1967-68 officers from the floor.

All members of CSEA and guests are welcome to attend the meeting.

F B I AGENT SCHEDULED TO ADDRESS STAFF CLUB LUNCHEON MEETING

Curtis O. Lynum, special agent in charge of the Federal Bureau of Investigation's San Francisco Division, will address the weekly luncheon meeting of the Cal Poly Staff Club being planned for Thursday (April 13) beginning at noon, in the Staff Dining Room.

Lynum, a special agent of the FBI since 1941, has served at many different bureau field offices. Among his assignments have been those as a supervisor and inspector at FBI headquarters in Washington, D.C., and as a supervisor or administrator at the San Antonio, San Diego, Minneapolis, Butte, Springfield, and Dallas Field Offices. Immediately prior to his present assignment, he was special agent in charge of the Dallas office.

All members of the college faculty and staff are invited to attend Thursday's luncheon meeting.

MARCH ISSUE OF "C S C REVIEW" DISTRIBUTED ON CAMPUS

Copies of the March issue of The California State Colleges Review arrived on campus last week and have been distributed to the faculty and staff through the college mail system. Those who did not receive their copies or wish to obtain additional copies are invited to check in either the Faculty Reading Room of Dexter Memorial Library or the Public Relations Office, Room 216, Administration Building, where extra copies are available.

C S E A CHAPTER PLANS DISCUSSION OF COLLECTIVE BARGAINING

William Tidwell, a member of the faculty of San Jose State College presently on leave and working as a special consultant on academic affairs to the California State Employees Association, will be the speaker for a special meeting being planned by the campus chapter of the employees organization for the evening of April 19. The meeting is scheduled for 7:30 p.m., that evening, in the Staff Dining Room.

Scheduled twice previously but cancelled because of an airline strike and a failure of campus electrical power, next week's meeting is being designed as an opportunity for members of the college faculty to obtain information on the whole issue of collective bargaining in the academic community.

George Beatie, president of the college chapter of CSEA and coordinator of special services for the college, pointed out that the prospect of the forthcoming vote on collective bargaining should make Dr. Tidwell's comments of the matter especially meaningful. The Academic Senate of the California State Colleges has scheduled its long-discussed vote on the concept of an exclusive bargaining agent for the entire system faculty for May 8.

All members of the campus faculty are especially invited to attend the April 19 meeting.

DEADLINE FOR ARTICLES APPEARING IN NEXT WEEK'S STAFF BULLETIN IS FRIDAY NOON

WHO . . . WHAT . . . WHEN . . . WHERE ? ? ?

Anatol Helman, Architecture and Architectural Engineering, has been awarded a Fulbright Fellowship and will be on leave from the college faculty to teach at two Latin American universities next academic year. Helman expects to leave in June to begin his 40-week lecture tour. During that trip he will teach at the Schools of Architecture of University of Guayaquil and Central University, Quito, both in Ecuador. A member of the Cal Poly faculty since 1957, Helman will lecture in Spanish on architectural design and cable and membrane tension structures.

Ronald L. Ritschard, Biological Sciences, will spend 10 weeks at University of Massachusetts this summer as a result of the postdoctoral summer research fellowship he was awarded recently by the National Science Foundation. He expects to work with Yoshihiro Kato, a well-known embryologist, during his stay at the New England university. Dr. Ritschard joined the Cal Poly faculty in 1965 after receiving his doctor's degree from Oregon State University.

Ray Houston, Ornamental Horticulture, was coach of the Cal Poly team which was runner-up in the 26th annual Intercollegiate Flower Judging Contest, held March 31-April 1, at Cornell University, Ithaca, N.Y. Fifteen teams from colleges and universities located throughout the United States were entered in the contest. Further details of the contest are included in an article appearing elsewhere in this issue of Staff Bulletin.

George Mach, Mathematics, accompanied five students who were delegates to annual convention of Kappa Mu Epsilon national honorary mathematics society, which took place last weekend (April 6-8), in Atchison, Kans. Dr. Mach is national vice president of the society, which has 70 chapters located at colleges and universities throughout the United States.

Clay Hatfield, Biological Sciences, is author of an article on rapid whole blood testing for Brucellosis, which appears in the current issue of the Journal of the American Veterinary Medical Association, Volume 150, Number 3, 307-310 (1967). It reports on a portion of the research Dr. Hatfield began while on leave in Argentina.

John B. Carricaburu, an alumnus of Animal Husbandry, has been named "Veterinarian of the Year" by members of the California Veterinary Medicine Association. Dr. Carricaburu earned his bachelor's degree here at Cal Poly and his Doctor of Veterinary Medicine Degree at Colorado State University. A native of Santa Maria, he presently resides in Santa Ynez Valley and is a trustee of Alan Hancock College and president of the Board of Education for Santa Ynez Valley Union High School

Sixteen students from King City High School and 15 from Alan Hancock and Cuesta Colleges were guests for tours of the Technical Journalism Department last Thursday and Friday (April 5-6), respectively. Hosts for the visiting students were members of the campus chapter of Sigma Delta Chi national society for professional journalists.

Enrollment for the Spring Quarter reached a total of 7,269 at Cal Poly when students returned to classes March 30 after a five-day quarter break. With late registration for Spring Quarter classes scheduled to continue through last Friday (April 7), final total enrollment figures for the quarter are expected to climb over 7,300, according to information issued recently by F. Jerald Holley, college registrar.

BASEBALL CONTESTS HIGHLIGHT CALENDAR OF SPORTS ACTIVITY FOR WEEK

Baseball contests featuring Cal Poly's varsity and freshman clubs are the only events on this week's calendar of sports events which are scheduled on campus. All other games and meets involving Mustang teams are planned on the road.

The week's activity opens Thursday (April 12) when Coach Bill Hicks' varsity baseballers make another attempt to get in a game after what seems to be an endless flood of rain over the past two weeks. University of San Francisco will be the opponent for the game, which is scheduled for 2:30 p.m., on the campus diamond. In the only other campus event on tap this week, Coach Ernie Zampese's freshman baseballers host Fresno State College's frosh in a double header announced for 12:30 p.m., Saturday (April 15), also on the campus diamond.

Highlights of other varsity competition scheduled this week find Coach Dick Purcell's track and field team on the road for a dual meet with San Fernando Valley State College, and the Mustang baseball varsity at San Diego State College for a double header. Both are slated for Saturday afternoon.

ACTIVITIES OFFICE CLARIFIES ADMISSION STATUS FOR CAMPUS EVENTS

Clarification of the admission categories that are in effect for most campus activities came in a memorandum issued last week by the Student Activities Office. Provisions of the policy on such matters apply to events to which the public is invited, such as athletic contests, assemblies, and drama productions, as well as to events which are limited to members of the campus community, including members of the faculty, staff, and student body.

For events open to both the campus community and the public, either members or associate members of the Associated Students, Inc., or holders of either Honorary or Lifetime Membership Cards issued by the ASI, are eligible for admission at "student" rates. All others, including members of the college faculty and staff who do not fall into one of these categories, are admitted at "public" or "general admission" rates.

Events which are limited to members of the campus community generally have but one admission category, but identification is required. Acceptable identification cards include regular, associate, honorary, and lifetime ASI membership cards; Staff Club membership cards, and the college employee cards issued by the Personnel Office. In the case of limited events, proper identification entitles the holder and one guest or his immediate family to purchase tickets at student prices. Such identifications are not transferable and the holder of the card must accompany his guests or family.

Associate memberships in the Associated Students, Inc., are sold annually during the Fall Quarter to members of the college faculty and staff who wish them. Priced at \$7.50 each, they are designed to permit admission to campus student events at student rates. After such membership has been purchased for five consecutive years the associate membership becomes a permanent one.

DEADLINE FOR ARTICLES APPEARING IN NEXT WEEK'S STAFF BULLETIN IS FRIDAY NOON

FLOWER JUDGING TEAM COPS RUNNER-UP HONORS IN NATIONAL CONTEST

Three student flower judges from Cal Poly returned to campus last week with trophies testifying to their second place finish in the 26th annual National Intercollegiate Flower Judging Contest, which took place March 31-April 1 at Cornell University, Ithaca, N.Y.

Composed of Douglas J. Jenks, Albert J. Bertolero, and Wilton Lee, the Cal Poly team tallied 5,977 of a possible 6,600 points to finish behind Virginia Polytechnic Institute, which topped the 15-team field in the contest with 6,092 points. In addition to the team honors, Jenks was the contest's second high individual judge. He scored 2,088 of a possible 2,200 points to finish 14 points behind a member of the Virginia Poly team who won the top award in that event. Bertolero and Lee were also among the top 10 individuals in the 45 student judges who entered.

In addition to Cal Poly and Virginia Poly, teams entered in the competition, listed in order of their final finish, were University of Missouri, Washington State University, University of Minnesota, Pennsylvania State University, University of Kentucky, Cornell, University of Illinois, Colorado State University, Kansas State University, University of Maryland, University of West Virginia, Ohio State University, and University of Delaware.

BETA BETA BETA CHAPTER SLATES ADDRESS BY AUTHOR-BIOLOGIST

Dr. Earl S. Herald, author of Living Fishes of the World, will be guest speaker at a meeting of the student chapter of Beta Beta Beta national society for biology students tomorrow (Wednesday, April 12) evening. The program, which will begin at 7:30 p.m., will take place in Room B-5 of the Science Building.

Dr. Herald's address, which will be open to the public and free of an admission charge, will be on the topic, "Dolphins of the Amazon and Ganges Rivers."

Curator of aquatic biology and associate director of the California Academy of Sciences' Steinhart Aquarium in San Francisco, Dr. Herald has written many technical papers and has carried out field studies in ichthyology and fisheries biology in a number of regions of the world.

PLACEMENT CALENDAR -- INTERVIEWS ON CAMPUS THIS WEEK

US COAST GUARD. Lt. J. R. Sproat, Ensign G. M. Grant, and Ensign A. W. Ray, Jr., will be in the Snack Bar area of the Dining Hall to discuss with all interested students opportunities offered through the Officer Candidate School program. (4/11)

THE BOEING COMPANY. T. J. Johnston, chief, college relations, will head a recruiting team interviewing seniors in AC and R, aero, EE, EL, IE, ME, math, and WM. (4/11)

US NAVAL ORDNANCE TESTING STATION, China Lake. Lester G. Garman, supervisory general engineer, will interview seniors in aero, business administration, chemistry, EE, EL, math, ME, and social science who will graduate in June, August, or December, 1967. (4/11)

UNITED AIR LINES. William Pierpont, employment representative, will interview senior in business administration (particularly marketing), and aero, ME, and IE for engineering positions in the San Francisco Bay area. (4/11)

(Continued on Page 9)

PLACEMENT CALENDAR (Continued from Page 8)

FEDERAL POWER COMMISSION. Robert H. Griffin, deputy regional engineer, San Francisco, will interview seniors in architectural engineering, business administration, EE, and ME. (4/11)

YUCAIPA JOINT UNIFIED SCHOOL DISTRICT. David E. Martin, director, curriculum and personnel, and an elementary principal will interview teaching candidates for elementary positions as well as secondary positions in business education and industrial arts. (4/11)

ARCADIA UNIFIED SCHOOL DISTRICT. Owen Van Buskirk, assistant superintendent, will interview teaching candidates for elementary positions including mentally retarded and educationally handicapped; junior high positions in general math and algebra, general science, English, French, and Spanish; and senior high positions as librarian, continuation teacher, educationally handicapped, speech and debate, social studies, algebra and geometry, girls PE, Spanish, French, and biological science. They also have need for coaching assistance in football, basketball, and track at the high school level, in combination with one of the vacancies listed above. (4/11)

MORGAN HILL UNIFIED SCHOOL DISTRICT. William R. Keig, superintendent, and John N. Temple, administrative assistant, will interview teaching candidates for elementary positions including EMR and secondary positions in math, social science, girls' PE, and English. (4/11)

CHEVRON CHEMICAL COMPANY. Bud Shields, branch sales manager, and J. A. Van Antwerp, regional sales manager, will interview seniors in ABM, biological science, and crops interested in a career in agricultural sales. (4/11-12)

KRAFT FOODS. C. E. Crow, personnel manager, and Donald Rice, quality control manager, will interview seniors in food processing and dairy manufacturing. (4/12)

AZUSA UNIFIED SCHOOL DISTRICT. Robert H. Kahle, personnel director, will interview teaching candidates for kindergarten through high school positions. (4/2)

LANCASTER SCHOOL DISTRICT. Carl F. Meyer, assistant superintendent, personnel, will interview teaching candidates for elementary positions, K-8. (4/12)

LOS ANGELES CITY SCHOOL DISTRICTS. Marion A. Elliott, coordinator of elementary assignments, and Teresa Harris, consultant, secondary personnel, will interview teaching candidates for elementary and secondary positions. (4/12)

SANTA MARIA ELEMENTARY SCHOOL DISTRICT. Vyonne Watkins, curriculum director, will interview teaching candidates for elementary positions. (4/12)

TAFT UNION HIGH SCHOOL DISTRICT. Charles E. Wallace, district superintendent, will interview teaching candidates for secondary positions in the areas of Spanish, arts and crafts, English/drama, and dean of girls/girls counselor. (4/12)

STOODY COMPANY, Whittier. James H. Schield, engineer, Manager Equipment Department, and Howard N. Farmer, Jr., staff metallurgist, will interview seniors in ME and WM for positions as assistant staff metallurgist and engineer, Equipment Division. (4/12)

PLACEMENT CALENDAR (Continued from Page 9)

ABC UNIFIED SCHOOL DISTRICT, Artesia. Lee Alarid, administrative assistant, personnel, will interview teaching candidates for elementary positions, junior high positions in home economics/art, math, specialized reading, English/history, girls' PE, Spanish, reading science, and vocal music; and senior high positions in social studies, English, girls' PE/health, math, business education, PE/social studies, vocational agriculture, art and crafts, and home economics. (4/13)

MERCK AND COMPANY, INC., Santa Barbara. Maurice Adams, district supervisor, Western District, will interview seniors in ABM, AH, business administration, DH, DM, and all other majors for positions as sales representatives for the Animal Health Department of the company. (4/13)

PALO VERDE ELEMENTARY SCHOOL DISTRICT, Tulare. Glen Dobles, superintendent, will interview teaching candidates for elementary positions (k-8). (4/13)

MOJAVE UNIFIED SCHOOL DISTRICT. Garlan Frix, district superintendent, will interview teaching candidates for elementary positions; junior high positions in math, PE, and social science; and senior high positions in girls' PE, science, business education, Spanish, boys' PE, social studies, and English. An opening also exists for a district librarian. (4/13)

EL RANCHO UNIFIED SCHOOL DISTRICT, Pico Rivera. Louis Tallman, administrative director of personnel, will interview teaching candidates for elementary, junior high, and senior high positions. (4/13)

SAN LUIS COASTAL UNIFIED SCHOOL DISTRICT. Ronald Notley, superintendent; Edwin Ruda, director of personnel; and William Newman, assistant superintendent, business services, will interview teaching candidates for elementary positions; junior high positions in English and homemaking; and senior high positions in homemaking, head football coach, and crafts/speech combination. (4/14)

HUNT-WESSON FOODS COMPANY, Fullerton. Keith Jacoby, professional staffing specialist will interview seniors in all majors for positions at the supervisory, managerial, and professional-technical levels. (4/14)

KERN COUNTY JOINT UNION HIGH SCHOOL DISTRICT, Bakersfield. John W. Eckhardt, assistant superintendent, will interview teaching candidates for all areas in secondary teaching. (4/14)

GENERAL MILLS, INC., L. E. Swanson, manager, personnel services, will interview seniors in agricultural engineering, architectural engineering, chemistry, EE, IE, and ME for positions in the Production Management Trainee Program; and business administration for positions in sales marketing in Northern California (4/14)

VICTOR VALLEY JOINT UNION HIGH SCHOOL AND JUNIOR COLLEGE DISTRICT, Victorville. Harvey S. Irwin, district superintendent, will interview secondary teaching candidates in all subject areas. (4/14)

ARMSTRONG RUBBER COMPANY, Hanford. Lionel V. Talbot, personnel administrator, will interview seniors in chemistry, EE, IE, math, ME, and TA for positions at the Hanford facility. (4/14)

PLACEMENT CALENDAR (Continued from Page 10)

FACTORY MUTUAL ENGINEERING CORPORATION, San Francisco. James W. Savage, district manager, will interview seniors in all engineering majors, chemistry, and physics. (4/17)

HOFFMAN ELECTRONICS CORPORATION, El Monte. G. A. Jacobs, employment manager, will interview seniors in EE, EL, and ME. (4/17)

US AIR FORCE RECRUITING TEAM. Sgt. Euel Garrett will interview seniors in all majors for placement in the US Air Force. They are particularly interested in discussing the pilot and navigator programs with eligible seniors and also the various Air Force engineering fields with engineering seniors. In addition, they will talk with senior in business administration, applied arts and sciences regarding various officer administrative positions. (4/18)

COMPUTER SCIENCES CORPORATION, El Segundo. Don Krause and Art Herman will interview seniors in all engineering majors, math, and other applied arts and sciences. (4/18)

MONROVIA UNIFIED SCHOOL DISTRICT. Warren I. Jaycox, administrative assistant, will interview teaching candidates for elementary positions and secondary positions in industrial arts, woodshop, math, science, history, English, Spanish, and French. Openings also exist in elementary and 7th and 8th grades for teaching EMR. (4/18)

WASCO UNION HIGH SCHOOL. Fred George, assistant principal, will interview teaching candidates for secondary positions in the areas of agriculture, English, reading improvement, homemaking, commerce, industrial arts (metal and wood), foreign language (Spanish), math, girls' PE, vocal music, social studies, and coaching (in combination with one of the above). (4/18)

NEW ADDITIONS TO THE AUDIO-VISUAL FILM LIBRARY

Listed below are films which have recently been added to the library of motion pictures available in the college Audio Visual Department's Service Office. Members of the faculty interested in arranging for preview or obtaining information about any of them are invited to contact the Service Office, Room 9, Business Administration and Education Building, in person or by telephone (546-2211).

#2001 ANTONIO GAUDI 29 minutes color

Shows views of the work of this Spanish architect and describes his style.

#2191 FIVE BRITISH SCULPTORS WORK AND TALK 28 minutes color

Sculptors are shown at work in their studios while they talk about their achievements.

#1049 FORM AND MEANING 24 minutes color

Study of operation of parallelism - and contrast in several different art forms, i.e., music, poetry.

FORM, DESIGN AND THE CITY 57 minutes color (nrdered - not here yet)

City planning with particular emphasis on Philadelphia.

#2181 HOOKED 20 minutes b&w

Former addicts describe narcotic addiction and how it affected their lives.

#2184 THE LAND 54 minutes b&w (2 parts)

2185 Discusses the decline of the small agricultural community and examines the possible extinction of the small farmer.

#1401 MAKING THE DESERT GREEN 14 minutes color

Irrigation practices and procedures.

#2186 MAN IN THE MIDDLE: STATE LEGISLATOR 54 minutes b&w (2 parts)

2187 Role of the state legislator in today's world, shows pressures brought to bear on him by various groups.

#1258 SEVEN GUIDEPOSTS TO GOOD DESIGN 14 minutes color

Analyzes principles of design in everyday use in terms of function, humanization, material shaping processes, structure, economy and appearance.

#2189 SOCIAL ANIMAL 29 minutes b&w

Studies some of the ways in which man is influenced and changed by society.

#2190 STEEL AND AMERICA 29 minutes color

Traces geological evolution of iron ore and the growth of the steel industry in America to its present place in the economic life.

#1287 THAT THE PEOPLE SHALL KNOW 21 minutes b&w

Story of journalism and journalists in the United States.

#2033 THE TRUE AND THE JUST 27 minutes b&w

Explanation of jury procedures with emphasis on the importance of the jury personnel.

#2188 TYPESETTING 35 minutes b&w
